DATE MAILED:

Pl ase find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

See Addendum.

Addendum

In response to Request for Corrected Notice of Allowance examiner has reviewed the title and agrees with Applicant that the title is what is on file and is the title as requested by Applicant in said Notice of Allowance of October 5, 2004, i.e., with the wording "PHOTOELECTRIC" instead of what came out as "PHOTOELECTR". The title in said Notice of Allowance was due to a printer problem and does not constitute the source for printing the title in the patent.

It is noted that the full and correct title will be printed in the patent issue.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Johannes P Mondt whose telephone number is 571-272-1919. The examiner can normally be reached on 8:00 - 18:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Nathan J Flynn can be reached on 571-272-1915. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Art Unit: 2826

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
